1. Click on File -> Make a copy

Include your IPO Chart with your code in Eclipse IDE: We will discuss and demonstrate this in the computer lab.

IPO CHART

Program name:	GuessingGame	
INPUT	PROCESS	OUTPUT
Hint: What will the user input?	Hint: What is the program going to do with the input information?	Hint: What will the screen display after user input?
The user will guess the secret number generated by the computer(between 1 and 20)	The program will compare if the user's guess is the same as the secret number it generated	The computer will display the secret number and the user's guess, with an appropriate win or lose message if the user guessed correctly.
